The lecturer, Marilyn Lewis, announced this was the Home and Community Service Night and turned the program over to the Junior chairman, Doris Fearing. She presented as her guests Mrs. Marshall and Mrs. Day and presented each a rose and cookbook.

It was voted that the Home and Community Service Committee send $1.00 to each of the following projects: the Greek team, a national project, to CARE, and the Kurn Hattin Home. Mrs. Marshall spoke on the Home and Community Service work done by the Juniors and commended the committee. make his daily headquarters at the Old Rochester Regional High School where he will spend most of his time. Aside from touring the building and examining its equipment, Mr. Seitamo will be free to visit all of the classes and sit in on any or all of the numerous activities. Residents in the area are cordially invited to come to the school and talk with Mr. Seitamo during the day.

In all probability he will appreciate the opportunity of attending some of the meetings of organizations in the three towns. It is possible that he might be willing to speak about the schools in Finland and how they differ from American schools. We shall appreciate any help you can give the school in making Mr. Seitamo's visit a memorable occasion.

WOMAN'S CLUB HEAR NEWSPAPERMAN

Mr. Edward Simmons, a member of the editorial staff of the Standard Times, was the guest speaker at a meeting of the Mattapoisett Woman's Club held last Thursday afternoon in the Congregational Church parish hall.

Mr. Simmons spoke on the tax cuts, saying that the government is spending more than it is taking in. He also spoke on corruption in the State, mentioning Bessette, Commissioner Ricciardi of the Department of Public Works and the Judiciary. He praised Attorney General Edward Brooke for his banning of the testimonial dinner for the insurance commissioner.

He will share the platform with Cornelia Otis Skinner, famed actress, author and lecturer, who will be guest of honor as the Massachusetts Heart Association inaugurates its month-long campaign for funds necessary to vital programs of research, education and community services.

Dr. DeBakey is internationally renowned for his pioneering contributions to the art of surgery on the heart and blood vessels. The subject of his speech will be "A Challenging Future -- Heart Surgery and the Heart Fund."

He will be introduced by Jerome Rosenfeld, Boston publisher and theatrical producer, who will serve as state chairman for the 1963 Heart Fund.
